This program results in freelance or self-employment

- The work available to graduates of this program is usually for freelance or selfemployment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

STUDENTS RIGHT TO CANCEL

Your access to our streaming video lessons and written course materials are delivered/transmitted electronically to you the moment you complete this enrollment agreement. You have the right to cancel and obtain a 100% refund of all monies paid if you cancel your enrollment before the completion of your first lesson or the seventh day after enrollment, whichever is later. Cancellation occurs when you give notice to the school by mail, fax, email, telephone or in person. [Online Q&A notification is preferred](#). This notice need not take any particular format and needs only to state you wish to cancel the agreement with the Institute. Written communication is strongly advised. If you cancel the agreement, or the agreement is cancelled by the Institute and that cancellation results in a refund, the Institute will refund any money owed you within 30 days of the cancellation notice.

For the purposes of determining the date of cancellation, you shall be deemed to have withdrawn from the course when any of the following occurs:

1. You notify the Institute of your withdrawal or the actual date of withdrawal.
2. The Hypnosis Motivation Institute terminates your enrollment, or
3. You fail to return from an approved leave of absence.

You have the right to withdraw from the Institute at any time whether you paid in full or on a payment plan. If you withdraw from the course of instruction after the cancellation period as described in the above paragraph, but before completing 60% of the lessons/quizzes, the school will issue a refund of the total tuition contracted for, multiplied by a fraction, the numerator of which is the number of lessons that the student has completed and the denominator of which is the total number of lessons for which the student enrolled.

For example; If the student enrolls, in the 48 Advanced Course lessons and submits only 12 lessons/quizzes (25%) before canceling their agreement, the student's refund would be the tuition contracted for, (\$2,500.00) multiplied by the percentage of lessons that were contracted for but not completed ($\$2,500.00 \times 75\% = \$1,875.00$ refund). Eighteen months after the student's Advanced Course start date the enrollment contract automatically expires and there is no refund.

If you enrolled in a tuition payment plan you will be responsible to pay the full amount of tuition plus payment plan fees, less the amount of any refund due. At the time of your cancellation, the school will calculate whether you owe the school money or the school owes you a refund based on the number of lessons completed at the time of your cancellation using the same formula described above. If it is determined that you have a tuition balance due based on the number of lessons completed, then the school will continue to collect payments via your payment plan until they have collected the balance/amount of the tuition you still owe. You will be notified of this balance due within 30 days of your cancellation.

Initial only after you have had sufficient time to read and understand the information.

STUDENTS RIGHT TO CANCEL (continued)

If you enrolled in a plan that also includes the delivery course materials consisting of 55 DVDs and have received them, the cost of the DVDs will be added to your student balance after the withdrawal calculation is determined. To be eligible for the refund of any of the DVD course materials you must have completed less than 60% of the total lessons/quizzes, and return only the DVD materials for lessons that you have not completed the quiz, in resale condition within 30 days of the notice of cancellation. The institution shall make a refund within 45 days after the student's return of the DVD materials.

Students that pay in full for their course will receive immediate access to all of their streaming video course materials and pdf course workbooks. After the transmission of these course materials the institution shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student for as long as the student remains enrolled.

Sales tax and shipping costs are not refundable. If you have paid less than the amount due under the schedule, you must pay HMI the balance within thirty (30) days from the cancellation date. After you have completed more than 60% of the lessons/quizzes there is no refund.

Definitions:

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period. All reported numbers are only students who resided in California at the time of their enrollment.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Salary” is as reported by graduate.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
